

Write, make and share

Write some egg puns. Q You could even make a funny yolk! 🤧

https://funkidsjokes.com/egg-jokes/

Build and test it out

Make a raft, parachute, tower or bridge that can hold an egg. Test it out and see how strong your construction is.

https://www.education.com/ science-fair/article/egg-parachute/

Print and stamp

Use a potato, apple or your fingerprints to make some Easter art.

https://www.messylittlemonster.com/ 2016/03/easter-handprint-craft-ideas-forkids.html

Make and play

Design and make an Easter game that includes aim and accuracy.

https://www.thecrazyoutdoormama.com/ easter-kids-crafts-that-are-cheap-and-easy/

Generate and Calculate

Make 3 of your own Easter themed maths problems. Test someone in your family

https://thirdspacelearning.com/blog/eastermaths-activities-lent-topical-maths-8/

Use your imagination

Write an Easter news report about something unusual and extreme!

https://www.bbc.co.uk/newsround/ 47555737

Grow your own

Plant some seeds or see if you can grow new vegetables from the base or roots.

https:// getgardening.richardjacksonsgarden.co.uk/ easter-activities-children/

Investigation Time

Do an experiment using shaving foam or baking soda!

Make it colourful

https://funlearningforkids.com/easterscience-and-stem-activities-for-kids/

Time for egg-ercise

Keep fit by building an obstacle course inside or outside. Can you carry an egg whilst you complete it?

https://activeforlife.com/add-activity-to-easter/

Prepare and share

Make some Easter themed food. could be cakes or fruit toast. See who can come up with the healthiest snack.

https://www.bbcgoodfood.com/recipes/ collection/easter-kids

Ramp and Roll

Egg rolling with a twist. Boil and decorate your egg then make ramps to roll them down!

https://www.andnextcomesl.com/2013/03/ wobbly-easter-egg-ramp-races.html

Hop-lessly Cute

Clear out your sock drawer and make Easter bunnies with

the odd ones *I*
